

Connecting People
Creating a Smarter Tomorrow

The 30th International Computer Science & Engineering Conference

TECHNOLOGY | PEOPLE | A SUSTAINABLE TOMORROW

Final Round Paper Submission
6 Sep - 25 Sep 2026

Don't Miss This Opportunity!

Topics:

- Acoustics Speech and Signal Processing
- Artificial Intelligence
- Bioinformatics
- Cloud Computing
- Computer and Internet Application
- Computer Architecture
- Computer Graphics
- Computer in Education
- Computer Networks
- Computer Vision and Image Processing
- Cryptography and Security
- Data and Knowledge Management
- Data Mining
- Digital Forensics
- Digital Signal Processing
- Distributed Computing and Grid Computing
- Embedded Systems
- Evolutionary Computing
- Fuzzy and Neural Network Systems
- High Performance Computing
- Human Machine Interface
- Image Processing
- Information Technology Management
- Intelligent Systems
- Knowledge Discovery
- Knowledge Management
- Machine Intelligence and Applications
- Machine Learning and Deep Learning
- Medical Image Processing
- Mobile Computing
- Natural Language Processing
- Pattern Recognition
- Programming Language
- Quantum Computing
- Robotics and Automation
- Semantic Web Ontology
- Simulation and Modeling
- Software Engineering
- Wireless Networks and Communications

People
for a Better World

Important Dates

Final Round Paper Submission	6 Sep - 25 Sep 2026
Final Round Notification of Acceptance	15 Oct 2026
Camera Ready Paper Submission	25 Aug - 31 Oct 2026
Regular Registration	9 Sep - 31 Oct 2026
Welcome Party	18 Nov 2026 16:00-18:00
Conference Day	19-20 Nov 2026
Banquet	19 Nov 2026
Research Networking Event	21 Nov, 2026

Registration Fee:

Category	Fee (Baht)
Author (Non-IEEE Member)	15,000
Author - IEEE member	13,000
Each Additional Paper	7,500
Participants	7,500
Research Network Event	2,500

Note: Register for the non-alcoholic option will receive a coupon worth 1,000 Baht can be redeemed for a souvenir and used to participate in activities at the event.
